RE: ACTION ITEMS

RE: CLEAR COMMUNICATION RADIOS AND PAGERS

Jamie Clark, Fire and EMS Director, informed the Board that the County has been awarded a grant in the amount of \$240,000 to be used for the enhancement of the public safety radio system. Mr. Clark briefed the Board on the items to be funded by the grant including: necessary expenditures for equipment and labor associated to comply with Federal Communication Commission regulations to narrow band all radios used by the county agencies by 2012; relocation of the Clark Mountain tower site to an adjacent tower site operated by American Tower Company; and replacement of the dispatch consoles at the Orange County Sheriff's Office which will mimic the existing consoles in the Orange County E911 Center. He stated that coordination within Orange County for the three detailed projects, as well as, the coordination with Greene and Madison Counties is critical to the success of the project. Mr. Clark explained that Clear Communications maintains the current system for all three jurisdictions and

is deemed a sole source for the project. He noted that the coordination of numerous vendors on a project this size would increase the margin of error and potentially compromise the public safety radio system. He concluded by saying that the Procurement Technician has posted the required sole source determination and staff recommends that the Board authorize the County Administrator to execute a contract with Clear Communication for \$231,667 for this project.

Mr. Burkett moved, seconded by Mr. Goodwin and carried, to authorize the County Administrator, contingent upon contract review by the County Attorney, to enter into a contract with Clear Communications for \$231,667 to complete projects for the inoperability grant projects as described above. Ayes: Abbs, Burkett, Goodwin, Wilson, Frame. Nays: None.

RE: INSURANCE CONSULTANT

Karen Karasinski, Finance Director, explained to the Board that the Orange County Procurement Office, working with County, School, and Social Service representatives, issued a Request for Proposal for qualified firms to provide insurance consulting services. A total of five (5) firms, including the incumbent (Wells Fargo), submitted offers for the services. She reported that three firms were selected as finalists and were interviewed by the County Administrator, Procurement Technician, Human Resources Manager, herself, Brenda Lloyd with Social Services and Barbara Hill, Schools Finance Director. Mrs. Karasinski stated that, from the three finalists, it was unanimous that Dominion Benefits, based out of Richmond, was the top rated firm at an annual cost of \$48,480. She concluded by saying that staff recommends that the Board authorize the County Administrator to enter into a one-year contract with Dominion Benefits, with the option to renew for an additional four (4) one (1) year terms.

Discussion ensued including: description of consultant services; flat fee for services; the number of insurance policies that the consultant manages; and the greatest value for the money.

Mr. Goodwin moved, seconded by Mrs. Abbs and carried, to authorize the County Administrator, contingent upon contract review by the County Attorney, to enter into a one year contract for \$48,480 with Dominion Benefits. The contract has the option of 4 one-year renewals with future years contingent upon budget adoption in those years. Ayes: Abbs, Burkett, Goodwin, Frame. Nays: Wilson.

RE: BOARD OF SUPERVISORS BY-LAWS

RE: PROPOSED REVISIONS TO THE LITTER CONTROL COMMITTEE BY-LAWS

Ms. Pandak briefly reviewed proposed revisions to the Litter Control Committee By-laws. Chairman Frame asked what precipitated the changes to the By-laws. Ms. Pandak stated that Mrs. Curry had been asked by someone to get the By-laws changed. Mrs. Curry stated that there had been problems getting vacancies filled on the Litter Control Committee from each district. She suggested that Kurt Hildebrand, Director of Public Works, could better explain the request for the By-laws change. Mr. Hildebrand stated that the Litter Control Committee has had difficulty in getting the Committee fully staffed. He explained that the Committee does a lot to promote recycling in the school and throughout the County and coordinates with the Virginia Department of Transportation (VDOT).

Following a brief discussion, Mrs. Abbs moved, seconded by Mr. Burkett and carried, to approve the following resolution to appoint members at large, rather than by district, in order to

facilitate the operation of the Orange County Litter Control Committee:

**CHANGE ORANGE COUNTY LITTER CONTROL COMMITTEE TO
APPOINT MEMBERS AT LARGE**

WHEREAS, the Board of Supervisors of Orange County appoints the members of the Orange County Litter Control Committee (“OCLCC”) and the Board desires to appoint members at large, rather than by district, in order to facilitate the operation of the OCLCC; and

WHEREAS, Article III, Section 1 of the OCLCC Bylaws should be amended in order to reflect this change in appointment of members;

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of Orange County does hereby determine to henceforth appoint the members of the Orange County Litter Control Committee at large, and the Board requests the OCLCC to amend Article III, Section 1. Membership, at its earliest convenience, to provide as follows:

“The OCLCC shall consist of any five residents of Orange County who have an interest in promoting and improving the environment of the County as well as supporting the mission of the OCLCC. Employees of Orange County shall not be members of the OCLCC. The Orange County Board of Supervisors will appoint members of the OCLCC. The members will be appointed at large.”

Ayes: Abbs, Burkett, Goodwin, Wilson. Nays: Frame.

RE: DRAFT LETTER TO LEGISLATORS

Chairman Frame stated that at its January 12, 2010 meeting, the Board directed staff to draft a letter, for its review, to state legislators requesting that there be no new unfunded mandates, that localities be released from current unfunded mandates, that review be given to laws currently on the books that are no longer practical, and that additional road funding be created.

Following a brief discussion, Mr. Goodwin moved, seconded by Mr. Frame and carried, to authorize the Chairman to sign letters to local legislators voicing the Board’s legislative concerns. Ayes: Abbs, Burkett, Goodwin, Frame. Nays: Wilson.

RE: CDBG PLANNING GRANT – BROADBAND INITIATIVE

Ambrose, Associated Director, with the Virginia Department of Housing and Community Development (DHCD) regarding the 2009 CDBG Planning Grant Orange County Broadband Initiative Project that had been submitted in December, 2009.

Mr. Goodwin moved, seconded by Mr. Wilson and carried, to approve a draft letter to be sent to Denise H. Ambrose, Associate Director, Department of Housing and Community Development (DHCD) in response to a request for additional information, to determine the appropriateness of the use of planning grant funds, for the Orange County Broadband Initiative. Ayes: Abbs, Burkett, Goodwin, Wilson, Frame. Nays: None.

RE: APPOINTMENTS TO BOARDS, COMMISSIONS, AND COMMITTEES

Chairman Frame nominated Julia Barnes for reappointment to the Health Center Commission for a four year term, with said term expiring February 28, 2014.

Mr. Wilson nominated Eugene Ernst for reappointment to the Litter Control Committee for a two year term, with said term expiring June 30, 2012. Ayes: Abbs, Burkett, Wilson, Frame. Nays: Goodwin.

RE: DISCUSSION ITEMS

RE: 2035 REGIONAL LONG RANGE TRANSPORTATION PLAN

The Board briefly discussed concerns it has with the proposed 2035 Regional Long Range Transportation Plan. Chairman Frame asked each Board member to relay their concerns to the Interim Planning Director so that she can draft a letter for the Board's review. He requested that once Mrs. Kendall drafts the letter, that she send it out to the Board for review.

RE: ACTION ITEMS CONTINUED

RE: SUPPLEMENTAL APPROPRIATION REQUEST FROM THE ORANGE COUNTY PUBLIC SCHOOLS

This item was tabled earlier in the meeting to allow staff additional time to obtain information from the School Board. Mrs. Karasinski reported that there would be no local fund match if the federal funding was discontinued. She noted that the local match for operating and training costs is met with in-kind contributions.

Discussion ensued including: the total amount of funds spent on Head Start; concerns with the number of Administrative Staff at the School Board Office; and concerns with approving the supplemental appropriation request before the School Board budget has been presented.

Mr. Burkett stated that he doesn't feel that the School Board is "shooting straight" with the Board. Mrs. Abbs stated that she did not agree with Mr. Burkett's comment and feels that the County has a very good School Board.

Mrs. Karasinski stated that she had spoken with the Title 1 Teacher who assured her that the program would be eliminated if the funding was eliminated.

Mr. Goodwin stated that any advantage that the County can give to encourage a better education should be done.

Mrs. Abbs moved, seconded by Mr. Goodwin and carried, to recognize \$437,143 of American Recovery and Reinvestment Act revenue and to appropriate the same to the School Head Start Fund. Ayes: Abbs, Goodwin, Frame. Nays: Burkett, Wilson.
