BROADBAND COVERAGE SURVEY

Orange County, VA – The Orange County Broadband Authority has launched an interactive survey to gather internet upload and download speeds in the County. All survey fields are voluntary. Information provided may be used by Orange County or the Orange County Broadband Authority for research and grant funding opportunities.

The survey may be found at: orangecountyva.gov/broadbandsurvey

For more information, contact Lewis Foster, Broadband Program Manager at lfoster@orangecountyva.gov.
