TIRE AMNESTY RECYCLING EVENT POSTPONED

Orange County, VA – The Orange County Litter Control Committee is postponing the annual Tire Recycling Amnesty Event previously scheduled for June, due to the ongoing COVID-19 pandemic and the need to prioritize the safety of the public, volunteers, and staff. The Orange County Litter Committee intends to host the event at a later date.

If you have an immediate need to properly dispose of tires, they are accepted at the landfill located at 11350 Porter Road Orange, VA 22960. Tire disposal is subject to the normal tipping fees. Landfill operating hours, fees, and general information can be found at www.orangecountyva.gov/724/Landfill-Solid-Waste or by calling (540) 672-9315.

For questions about the Tire Recycling Amnesty Event, please call (540) 661-5323 or email Jayson Woods at jwoods@orangecountyva.gov.
