### **ORANGE COUNTY PUBLIC LIBRARY OFFERS WI-FI HOTSPOTS FOR CHECKOUT**

Orange County, VA – Orange County Public Library is excited to announce the launch of mobile hotspots for checkout. The hotspots run on the T-Mobile/Sprint network and allow citizens to connect devices such as laptops, smartphones, and tablets to the Internet.

The mobile hotspot program is a part of Orange County's efforts to help ensure citizens have broadband access. Additionally, the hotspots can provide access to the library's collections of digital resources which include over one million items. Hotspots are available at all three (3) library branches on a first come, first served basis to adult cardholders in good standing. The hotspots loan for fourteen (14) days and cannot be placed on hold or renewed. Hotspots should be returned inside the library or via the library's curbside services rather than in the book drop to prevent damage.

The hotspots are listed in the library's online catalog, [www.ocplvacat.org](http://www.ocplvacat.org) under "hotspot". For more information please contact your local library branch.

- Orange County Public Library (Main Branch in Orange) (540) 672-3811.
- Wilderness Branch Library (near Lake of the Woods) (540) 854-5310.
- Gordonsville Branch Library (540) 832-0712.
