Subject: CSA Monthly Report – February 2012

Please find attached the February 2012 report for CSA. As a reminder, the CSA data is always a month behind due to the nature of the billing cycles. (Ex: month end reporting for December is actually the numbers for November expenses.)

At this time our projections show, that CSA spending is slightly under budget. This, however, may continue to fluctuate as the year continues as you have seen over the past several months. We continue to monitor expenditures and remain cautiously optimistic that we will stay within budget. AS always, our goal is to serve each family appropriately and remain within the budget parameters that the Board of Supervisors has set forth for us this year. As always, please let Letitia or I, know if you have any questions.
