## Summer Exploratory Camp

In our three day exploratory camp, we will:

### DAY 1:

Introduce the sport of archery, learn range safety, and learn basic shot technique with games. This class will use recurve bows exclusively.

### DAY 2:

Reinforce range safety, introduce target scoring, hold a mock tournament. This class will use recurve bows exclusively.

### DAY 3:

This class will review safety and focus on the fun of archery with additional games. This class will primarily use recurve bows but may introduce crossbows.
