

# Assistance Animal Seminar

Tuesday, April 23, 2019; 6:30-8pm

@ Sedwick Building, 146 N. Madison Road, Orange, VA

Have you ever considered getting an assistance animal for yourself or for someone you know? Want to know more about different labels given to animals such as:

SERVICE

THERAPY

EMOTIONAL  
SUPPORT

WORKING

Learn what an assistance animal is and what the ADA has to say about it. We'll discuss what it takes to have an assistance animal, the advantages and disadvantages of being a handler, and the joyful possibilities ownership entails.

## INSTRUCTOR:

Susan Baccei is a long time Orange County resident and a former educator. She was determined disabled in 2010 due to an acquired brain injury. Getting her service dog Blanket greatly improved her quality of life. With 20 years of animal training experience including therapy, working and service dogs, Susan combines her love of animals with education to help others.
