The following general statements shall apply to all permits:

- 1. All projects shall conform to the standards and specifications and other criteria adopted by Orange County unless a variance has been granted in writing by this locality.
- 2. Permit must be kept on the work site and shown on request.
- 3. The Orange County Department of Planning and Zoning must be notified when work commences and when the project is completed.
- 4. Work on the project (grading, excavating, construction) shall not commence until the appropriate erosion and sediment controls are in place as specified on the plan.

- 5. Inspections of the site will be conducted at least every two weeks and within 48 hours of any major rain event.
- 6. Applicant agrees to be responsible for any and all damage to erosion control measures already in place as a result of work covered by this permit.
- 7. Applicant agrees to maintain the erosion control measures in satisfactory operating condition until final, permanent stabilization is achieved.
- 8. A Notice to Comply will be issued by the County for any violations of the plan as approved. Failure to comply within the time as specified on the notice may result in the issuance of a stop work order.
- 9. The land-disturbing permit may be revoked should the locality determine that the project is not in compliance with the conditions of the approved plan.

## PERFORMANCE GUARANTEE

Section 10 of the Orange County Erosion and Sediment Control Ordinance requires that a Performance Guarantee be posted with the County in the amount determined by the Program Administrator. Such Performance Guarantee shall be conditioned such that any work performed meets approved standards and specifications as outlined in the approved Erosion and Sediment Control Plan.

Final inspection of the project shall be made by the Program Administrator or designated agent upon notification that project construction is complete. The release of any Performance Guarantee is contingent upon the findings of such inspection. Release of the Performance Guarantee shall occur within 60 days after the project site is deemed adequately stabilized by the Program Administrator.

| The amount of such Performance Guarantee is hereby set at \$ |  |                         |  |
