Playoffs TBD, Top 4 Make Playoffs		

Please be aware:

Matches are made up of 7 games, which take place during a 30 minute time limit. If the time limit is reached before the match is completed, the match will end at the close of the last game to begin within the limit.

If inclement weather forces the cancellation of a match or night of matches, we will make all reasonable attempts to reschedule, but it may require earlier matches, doubleheaders, or other schedule changes.

Captains are responsible for making sure their team is present and ready to play at the scheduled time. OCPR will not send this to each player individually, but it will be available on our website.

Main Rule: This league is RECREATIONAL. It is meant to be a social activity with some light competition. DON'T BE THE PERSON THAT RUINS THE FUN BY TAKING IT TOO SERIOUSLY OR TRYING TO CHEAT.
