## Harris Corporation to Supply Orange County, Virginia, with State-of-the-Art Public Safety Solution

### Highlights:

- Advanced P25 solution includes portable and mobile radios
- Serves more than 600 public safety users
- Orange County, Virginia, represents a new customer for Harris

**LYNCHBURG, Va., Aug. 13, 2018** — Harris Corporation (NYSE: HRS) has been selected to provide an enhanced county-wide public safety communications solution that serves more than 600 users in Orange County, Virginia.

Orange County is the 23rd county in Virginia to partner with Harris to provide its mission-critical public safety communication systems. Harris will supply [portable](#) and [mobile radios](#), as well as [Harris P25 Infrastructure](#).

"Harris' advanced P25 technology will bring powerful, mission-critical communications capabilities and applications to the Orange County users who serve their communities," said Nino DiCosmo, president, Harris Public Safety and Professional Communications.

[Harris Public Safety and Professional Communications](#) is a leading supplier of communications systems and equipment for public safety, federal, utility, commercial and transportation markets. The business has more than 80 years of experience in public safety and professional communications and supports more than 500 systems around the world.
