ORANGE COUNTY ECONOMIC DEVELOPMENT LAUNCHES DIGITAL BUSINESS DIRECTORY

Orange County, VA – Orange County Economic Development is pleased to announce the launch of a digital business directory.

The new Orange County Business Directory is a FREE online platform for local businesses to promote their services and maximize exposure to new and existing customers. The user-friendly online directory is a helpful tool for those searching for business information or businesses looking to share updates with customers. The directory can be easily searched by category, location, purchasing options, and contact details. The directory is also mobile friendly allowing the information to be accessed anytime and anywhere.

We encourage businesses who wish to participate, to go to www.buyorangeva.com to create and update their profile information. Once subscribed, businesses can showcase their offerings by featuring services offered, menu items, hours of operation, website, social media links, promotions, photo galleries, and more. Users are encouraged to update their content regularly.

Businesses with questions about the Orange County Business Directory should reach out to the Economic Development Office at (540) 672-1238.
