**ORANGE COUNTY FISCAL YEAR 2023 FINAL ADOPTED BUDGET NOW  
AVAILABLE IN NEW DIGITAL FORMAT**

ORANGE COUNTY, Va. – In accordance with the Board of Supervisors’ strategic direction and the Digital Citizen initiative, Orange County is pleased to announce that the Fiscal Year 2023 Final Adopted Budget is available online in a new digital format, hosted by ClearGov.

Orange County prioritizes the preparation of annual budgets that are effective as policy documents, financial plans, operations guides, and communications devices. In recognition of these efforts, we have consistently received the Government Finance Officers Association’s (GFOA) Distinguished Budget Presentation Award in recent years, which is the highest form of recognition in governmental budgeting.

The new digital format enhances the adopted budget’s accessibility online for public viewing. Advancements over the prior PDF-based budget formats include simplified navigation, improved accessibility, and better integration of the Capital Improvements Plan.

The Fiscal Year 2023 Final Adopted Budget is available for reference online at <https://www.orangecountyva.gov/140/County-Budget>. For reference, prior year budgets in PDF-based formats remain available through the same page.
