**FUNDRAISING OPPORTUNITY AVAILABLE TO  
ORANGE COUNTY CIVIC GROUPS THROUGH ROADSIDE CLEANUP**

Orange County, VA – The Orange County Litter Control Committee is excited to announce a new fundraising opportunity available to Orange County civic groups through the Volunteer Roadside Cleanup Program. This program is open to organizations based in Orange County such as school-aged extracurricular clubs, fraternal organizations, recreational clubs, and nonprofit organizations.

Interested organizations must submit a Volunteer Trash Pickup Program application along with a copy of their W-9 to be considered. Once approved, a road from a current list of reported littered roads will be assigned and a Challenger Trash Pick Up Kit will be made available for use. Items in the kit include orange trash bags, grabbers, safety vests, gloves, and a notebook of safety guidelines and information. The participating organization will be awarded \$100 per hour, with a five-hour cap once the pickup is verified. Only one (1) pickup can be performed by the organization per fiscal year. Spaces are limited.

A complete list of Volunteer Trash Pickup Program Guidelines can be found on the County's [website](#), along with the [online application](#).

For more information, please call the Orange County Litter Control Committee Coordinator at (540) 661-5405. Interested residents may also visit: [www.orangecountyva.gov/littercontrol](http://www.orangecountyva.gov/littercontrol).
