ORANGE COUNTY TO HOST *GET CONNECTED ORANGE: A COUNTY RESOURCE FAIR*

Orange County, VA – The Orange County Office on Youth and the Orange County Department of Social Services is pleased to announce the inaugural date of *Get Connected Orange: A County Resource Fair* scheduled for the end of June. *Get Connected Orange* will provide Orange County residents with an opportunity to “plug-in to the resources” offered locally.

Citizens are encouraged to mark their calendars for Wednesday, June 24, 2015. The event will be held at the Hornet Sports Center located at Orange County High School from 10:00 a.m. – 3:00 p.m. This free event offers a light breakfast, a hot lunch, and childcare/child activities for all in attendance. Additionally, transportation is being arranged for those in need. Specific details regarding transportation will be available online at www.orangecountyva.gov/officeonyouth as the event date approaches.

It is the hope of the Department of Social Services and the Office on Youth that County residents will be able to spend the day learning about community resources, services, and family activities. Representatives from organizations throughout Orange County and the surrounding counties have been invited and are excited to highlight their efforts and serve the citizenry.
