### **ORANGE COUNTY TO HOST PROGRAM FOR FAMILIES WITH NEW GRANT FUNDING**

Orange County, VA – With the assistance of a grant from the Virginia Foundation for Healthy Youth, the Orange County Office on Youth will again offer its dynamic program for local families. The Strengthening Families Program will begin on Monday October 26, 2015, and be held on Monday evenings at Orange Presbyterian Church for seven weeks.

The Strengthening Families Program is designed for households with youth ages 10-14 and helps family members learn to manage emotions, set goals, avoid peer pressure, make better decisions, and create better relationships. This program takes a whole family approach and involves parents/caregivers and youth for its seven-week duration.

This fully grant-funded program is not only free to all participants, but provides childcare for younger family members, in addition to a meal each week. Gas station gift cards are also provided to each family in attendance to help cover transportation costs.

Weekly sessions begin with dinner for the entire family, followed by separate parent/caregiver and youth group sessions, and ending with a family session. Many families find the program is a great way to spend time with their child and help their children be successful during their teenage years.

Registration is now open and free to those interested; however, space is limited to ten households. For additional information or to register, please contact Ashley Jacobs, Program Coordinator at (540) 672-5484 or [ajacobs@orangecountyva.gov](mailto:ajacobs@orangecountyva.gov).
