

2021 Orange County Elderly and Disabled Adult Christmas Adoption Request

1. Thank you for your willingness to help this holiday season! Your generosity will help ensure citizens who are in need of assistance are served with gifts this holiday season.
2. You are encouraged to adhere to the social distancing guidelines set forth by the Governor of Virginia.
3. **All deliveries, county wide, need to be scheduled for Saturday, December 11, 2021 between 9 A.M. and 3 P.M.** This will avoid any confusion between the different groups delivering and will alleviate any stress and anxiety for the individuals who have asked for assistance. This will also ensure we have time to make corrections if necessary.

Some items to consider:

- Please budget approximately \$50 per person.
 - Plan to make deliveries directly to the individual’s residence listed on the application.
4. Please contact the applicant immediately and exchange your contact information so deliveries on December 11th may be arranged.
 5. Obtain two emergency contact numbers in case a phone gets disconnected between now and delivery.
 6. Clarify the address and directions to recipient’s residence.
 7. Please let the recipient know the approximate time you will be delivering on December 11, 2020 and make a follow-up call the week before delivery confirming the time of delivery.
 8. Verify gender, special needs, sizes, wants and needs as well as food allergies.
 9. Please ask if there are any specific needs, and/or disabilities that might help determine appropriate gifts.

Application to Adopt 2021

Name and address of organization or individual:

Contact person (name, cell #, work or home #, email address):

How many disabled and/or elderly individuals are you interested in adopting? _____

Do you have a specific region or district in the County you prefer to serve?
